Foundation Years' Teaching Programme
SIADH/Adrenal Insufficiency

This bulletin provides you with details of the latest evidence and key research on this topic. Find it and other bulletins at http://www.hello.nhs.uk/fy_bulletins.asp.

ULHT

Guidelines, Procedures and Protocols

UpToDate - a point of care tool which summarises the evidence for busy clinicians. Includes aetiology, prevention, diagnosis, treatment, complications and prognosis. You will need to register on a Trust PC, after which you may login from any device.

Log in, and search for SIADH, or adrenal insufficiency.

Guidance

- Adrenal Insufficiency and Addison’s Disease, National Endocrine and Metabolic Diseases Information Service, 2014
- Acute adrenal insufficiency, Ophanet, 2012
- Chronic primary adrenal insufficiency, Ophanet, 2012

Evidence-Reviews

- ACTH stimulation tests for the diagnosis of adrenal insufficiency: Systematic review and meta-analysis. J Clin Endocrinol Metab. 2015
- Are adults taking corticosteroids for adrenal insufficiency at risk of osteoporosis?, North West Medicines Information Centre, 2013
- Medicines Evidence Commentary: risk of adrenal insufficiency with inhaled corticosteroids, NICE Medicines Commentaries, 2013
- Supplemental perioperative steroids for surgical patients with adrenal insufficiency, Cochrane Database of Systematic Reviews, 2012
- Addison’s Disease, Clinical Knowledge Summaries, 2010

Recent Key Primary Research

- Adrenal insufficiency, Lancet, 2014
- An abnormal apelin/vasopressin balance may contribute to water retention in patients with the syndrome of inappropriate antidiuretic hormone (SIADH) and heart failure, Journal of Clinical Endocrinology and Metabolism, 2013
- Review: Etomidate increased mortality and adrenal insufficiency in adults with sepsis, Annals of Internal Medicine, 2013
