How to Obtain an Article

If you would like to request any articles included in this bulletin, or to be put onto the bulletin’s distribution list, please contact Library and Knowledge Services at Grantham Hospital:

Tel: 01476 464321
email: library.grantham@ulh.nhs.uk

Copyright

Copyright allows us to copy a maximum of two articles from any issue of a journal, unless it is a thematic issue, for any one individual.

We can only copy an article once for the same person. Please check to make sure you have not asked us for the article already.

Alcohol and Substance Abuse

None this month

Bereavement

Supporting patients who are bereaved

Acute grief is distinct from depression and other psychiatric disorders. Bereaved patients should have the opportunity to talk about their loved one, their loss and how they have been coping
Shear M K et al
BMJ 358 (8113) 78-80

Child and Adolescent Issues

Editorial:
Adolescent mental health: reasons to be cheerful
Lancet Psychiatry 4 (7) 507
### Low-intensity interventions for anxiety disorders

*Anxiety disorders in children are common, impairing and persistent and result in substantial costs to health, social care and educational resources.*

Stallard P  
*Lancet Psychiatry* 4 (7) 508-509

### Clinical outcomes and cost-effectiveness of brief guided parent-delivered cognitive behavioural therapy and solution-focused brief therapy for treatment of childhood anxiety disorders: a randomised controlled trial

Creswell C et al  
*Lancet Psychiatry* 4 (7) 529-539

### Dementia and Alzheimer’s Disease

#### Dementia trends in England and Wales

*Original research: Temporal trend in dementia incidence since 2002 and projections for prevalence in England and Wales to 2040*

Ahmadi-Abhari S et al  
*BMJ* 358 (8113) 60-61

#### “Wandering” and dementia

Andrews, J  
*British Journal of Community Nursing* 22 (7) 322-323

#### Physical therapies in dementia care

Carr, P  
*British Journal of Healthcare Assistants* 11 (7) 324-325

#### Dementia risk lowered by social support from adult children

Nursing Standard 31 (42) 16

#### Dementia research focuses on prevention, as drugs fail to deliver

Wise, J  
*British Medical Journal* 358 (8115) 133

### Depression

#### Post-partum depression-a glimpse of light in the darkness?

Jones, I  
*Lancet* 390 (10093) 434-435
**Bexanolone (SAGE-547 injection) in post-partum depression: a randomised controlled trial**  
Kanes, S et al  
Lancet 390 (10093) 480-489
